August 27-28, 2022

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 2022 Canada Acupuncture and TCM Continuing Education Conference and International Summit Forum for Zhang Jin's Acupuncture Manipulation Techniques Academic Thought and School Inheritance.

This event provides researchers and practitioners in the field of traditional Chinese medicine and acupuncture a forum in which to share their knowledge and best practices. I am certain that everyone in attendance will benefit from the opportunity to learn from and network with their peers from around the globe.

I would like to commend the organizers for putting together an informative and rewarding program for everyone in attendance. You can take pride in your commitment to supporting education and professional development in the field.

Please accept my best wishes for a productive and engaging experience.

Sincerely,

The Rt. Hon. Justin P. J. Trudeau, P.C., M.P.
Prime Minister of Canada
